

PLC programming software Control FPCWIN Pro7

Information you need to know before using the software (mandatory reading)

When Control FPCWIN Pro7 Basic is not installed

If Control FPCWIN Pro7 is not present, the basic version will be installed automatically. The basic version supports downloading up to 10,000 steps to Panasonic PLCs

Info: The FP0H PLC supports up to 64,000 programming steps.

When Control FPCWIN Pro7 Basic is already installed

If Control FPCWIN Pro7 Basic is already installed, this software updates the installed version.

How to get Control FPCWIN Pro7 Full version

1. Download FPCWIN Pro7 full/update from our download center
<https://industry.panasonic.eu/downloads>

or more direct

https://industry.panasonic.eu/downloads?group_label=&category_label=&search-api-fulltext=Control+FPCWIN+Pro7%2C%20full
2. Buy a serial number(license) to activate the FPCWIN Pro7 full version.
The serial number(license) has the product no. "FPCWINPRO7_LICENSE". To order a serial number (license), please contact your local Panasonic sales representative.

Caution

Be aware of the following points listed below.

The copyright for this software is held by Panasonic Industry Europe GmbH.

By using this software, it is assumed that you agree to "Conditions of Use" presented below.

Conditions of Use

- Panasonic Industry Europe GmbH does not guarantee anything regarding the use of this software.
- Panasonic Industry Europe GmbH will not assume responsibility of any sort for direct, indirect, repercussive, resulting, or special damage that results from using this software or from the operation of the software itself.
- Panasonic Industry Europe GmbH does not restrict the use, copying or distribution of this software.
- However, when copying or distributing, Panasonic Industry Europe GmbH prohibits the procurement of fees other than the cost of media and prohibits the applying of restrictions in use of the software.

System Requirements

For installation you need administrator rights on your computer.

If the minimum requirements cannot be met, FPWIN Pro may not function properly.

OS	Windows®10 32/64-bit edition, Windows 11
