EY37C5

14.4V / 18V / 21.6V

LIGHT EY37C4

EY37C5 SPEAKER

40th
1979-2019

Compact and bright: 750 lumens.

For tight spaces such as lofts and cellars

For work or maintenance in dark areas

For loading or unloading a vehicle

EY37C4
LIGHT

3-step switch
Brightness can be set to 3 levels: High provides ca. 7 hours of continuous use, and Medium and Low provide extended battery life.

High 100%

Medium 50%

Low 10%

Provides powerful illumination in an emergency
(Brightness set to High/18V 5.0Ah battery/no USB charging)

Recharges your smartphone
Can also charge while the light is on. Useful where mains power is not available.

Handle for easy transport
Easy to carry while the battery pack is attached.

Hangs on the hook provided
A hook is provided on the handle for further convenience.

90º rotation

Note: Ensure any separately purchased S hook or string used to hang the device is attached securely.

Support for many working environments
Light direction can be rotated to the required position.

Top view

180º tilt   270º rotation

Compact, clear and strong audio playback.

Passive radiator to increase fullness of bass

Full range cone speaker

Note: Image shows speaker cover removed. The cover should not be removed.

Easy to hang when listening to music at work

Wireless simplicity and powerful playback
● Simple Bluetooth® wireless connection
● 5W output gives a clear and strong sound
● Volume can be adjusted either via your smartphone or on the unit

EY37C5
SPEAKER

Smartphone recharging*[1]
● 2x USB recharging sockets
● Recharge available during playback
● Useful when mains power is not available

Handle for easy transport
Easy to carry while the battery pack is attached.

Hangs on the hook provided
A hook is provided on the handle for further convenience.

90º rotation

Note: Ensure any separately purchased S hook or string used to hang the device is attached securely.

Support for many listening environments
Speaker direction can be rotated to suit.

Top view

180º tilt   270º rotation

Volume button
Can also be operated from your smartphone

USB charge button

Battery level indicator
Shows battery level during USB charging

Bluetooth indicator

Speaker button (also pairing button)
When pairing or connected, EY37C5 will be displayed on your smartphone.
